THE PROJECT

From freshly finished rooms to guest-ready.

Damien Cheeseman of DC Properties brought us a townhouse on High Street in Llantrisant — his second project with CLP, after Paddock View House in Marchwood. The renovation works were carried out in collaboration between DC Properties and Creative Living Property.

On install day the walls and floors were freshly finished and the rooms stood almost empty. CLP Staging furnished and styled the whole house: made-up beds in every bedroom, a dining table laid for six, artwork, lamps, rugs, plants and guest touches in the bathrooms.
